We use cookies to ensure that we provide you with the best experience. If you are not sure if your address is classified as non-continental UK please do not hesitate to contact us and an advisor will be happy to help you. If your product becomes defective, we strive to get your articles to you in order, order, however in the event that your items do become faulty, please read below on what you should do next. Standard 2-3 working day delivery is FREE on all orders to mainland UK. (Stands for Samsung?) Recommended.. Orders to UK non-mainland and international destinations can take longer. How long does delivery take? How much does delivery cost? On some items this is provided for FREE.Á For orders to UK Non-mainland and International destinations, there will be an additional charge at checkout. Please contact our customer service team to find out the best way to get your items repaired or replaced. Even though we're sure you'll be happy with your purchase, it's important that you are aware of how we deal with returns in the event that you need to send something back. If during our testing we cannot find a fault, no refund will be given and you will be charged for delivery of the item back to you. Once we have confirmed your return, please ensure that you return the item within 14 days. Ireland, Channel Islands, Jersey, Guernsey, Isle of Wight, Isle of Man and Scottish Highlands. Key features Control volume, track selection and voice applications Switch between calls and music with the press of a button We ship to addresses within the UK using Royal Mail and DPD couriers. Orders placed on weekends will be processed and despatched the following working day. All orders placed within this time which are outside of the standard 14 day policy can only be returned for a credit. Rep. Next working day courier service is available on all orders for a small fee of Á£44.99. These include: Special order items and cables cut from a reel (priced per metre). Control volume, track selection and voice applications, plus easily switch between calls and music. We are still accepting orders to these destinations however delivery times and prices are not final. We will confirm via email once we know more from our delivery partner. Please Aware that after 28 days we will not cover it for any transport costs. Can I track my delivery? You will receive your tracking information by email once we have shipped your order. "United Kingdom, non-continental and international destinations. All products must be returned to us within 14 calendar days after our customer service team has authorized a return. When will you send my order? To avoid any disappointment, please contact us before placing your order. For this reason, we have designed our return policy to avoid any inconvenience in these cases. We don't care if you open the product to check it, however, any used or damaged product will be subject to a handling fee of 25%, so be careful when opening your items. After 14 days, we will not offer a refund after 14 days you receive your delivery unless your product is defective. "Christmas Returns Policy, any product purchased between 27.11.21 and 24.12.21 will qualify for our extended returns policy. Ireland, N. What kind, like the UK, non-continental? Yes: order tracking is offered as a standard on all items, as if they are shipped via DPD or Royal Mail. Items must be returned in the condition "as new" in their original packaging. Less than 28 days, if your items become defective within 28 days of delivery, you are entitled to a full refund or exchange. Be sure to inform our customer service team in writing or by email ((Protected Email)). We reserve the right to cancel any orders where you do not take advantage of our security controls or do not pay for proper postage. Orders placed before 3pm are processed and shipped the same day (excluding public holidays and of week). In many cases with some products, faults can be fixed by performing a basic problem solving, therefore, to avoid any inconvenience for you, we recommend that you contact our customer service team that can guide it through From some basic solution before sending basic articles before sending.
